

Softlanding The Hague

Apply now to join a soft-landing mission in The Hague

Are you a tech start-up or scale-up looking to expand your business and explore new markets? The Hague not only has a favourable business climate, with its international community, it's the perfect spot to **kickstart your European business**. You have the opportunity to take part in the Softlanding Program for at least 1 week. Start-ups and scale-ups in all phases can apply before the **1st of July**.

Customised programming
and free workspace
surrounded by a tech
community

Support in accessing
financial resources,
engaging strategic partners

Exposure to global partners
and opportunities to
pursue clients

Option to make use of the
dutch startup visa program

How does it work?

- 1 Apply online by filling out the form
- 2 After the selection and interview process, we welcome you to The Netherlands!
- 3 Join The Hague Tech's community and participate in pre-arranged matchmakings
- 4 Fly back home with a good sense of the Dutch market and scale-up
